Where would you be without PCC?

FACES OF PCC

"Attending PCC was one of the best decisions I made thus far. In my role as an Admissions Counselor, I am able to pay it forward and use my experience with the challenges to enlighten and encourage every student I meet."

– Mecca S. Waller,
Admissions Counselor
Pitt Community College

"After using Pitt Community College's Small Business Center resources, we were able to turn our food truck business into a successful brick-and-mortar restaurant. Without the PCC SMALL BUSINESS CENTER, this would not have been possible."

– Jay & Eridania Bastardo,
Business Owners at
Villa Verde Restaurant

"Many years after I first enrolled at PCC, there are faculty members that continue to check in on me and push me further. Their encouragement, persistance and guidance is what has driven me to be who I am today."

– Rick Owens,
VP of Administrative Services
Pitt Community College
