EIGHT GREAT

SCHOLARSHIP APPLICATION TIPS

1 Don't Rush!

Answer questions thoroughly and put thought into your answers.

2 Grammar Matters

Use correct grammar, punctuation, and capitalization. Don't use slang or texting jargon. KWIM?

3 Tell Your Unique Story

Personalized answers are always better than canned responses that sound like everyone else's answers. Let your personality and unique story shine!

4 Ask For Help

Have someone you trust proofread your answers before you submit your application, or ask for help at the Tutoring Center.

5 Answer Optional Questions

Answer any optional questions that apply to you. Going above and beyond will make you stand out.

6 Plan Ahead

Don't wait until the last minute to start the application or to request any required letters of recommendation. Allow plenty of time.

7 Don't use AI or ChatGPT

Never use AI or ChatGPT to help with your answers. You may think the reviewers won't be able to tell, but they will. Trust us! Don't be disqualified!

8 APPLY!

You won't receive any scholarships if you don't apply! Put forth the effort and get your application submitted!
